## DETROIT HILTON MEETING

Mich-TAMS members convened for their annual meeting on the Saturday after Thanksgiving. Members and guests from several points in Michigan, and some from out of state gathered to hear annual reports, elect their 1973 officers, discuss their activities, and hear Bob Lusch of Monroe Mich present his talk on telephone tokens.

This event was in connection with the Show and Convention of the Mich State Numismatic Society.

Retiring President Raymond E Olson very ably chaired the meet, and Mrs Norma K Killinger, retiring treasurer, gave her annual report which will appear elsewhere in this issue. The Junk Box was reported on, and Editor Chester Clark will serve his second year.

Donald R McKelvey of Port Huron Mich, our charter member 191 was elected to be our new President in 1973. Floyd D (Pete) Hartley of Fenton Mich will be our new VP. Michael Killinger of Livonia was re-elected as Recording Secy, and Raymond E Olson, past president, is our new Treasurer.

Edging ahead of some good competition to be re-elected Board Member was Robert L Williams, charter member 209, from Ferndale Mich.

Plans for 1973 were highlighted. Membership dues are to continue at \$2 per year, and a roster is to be listed in the Junk Box of paid 1973 members.

## BOB LUSCH IS NUMBER ONE

All persons who saw his colored slides and heard his talk at our annual meeting will agree that Robert K Lusch is the number one collector of telephone tokens in Michigan. Our Mich-TAMS records also show that he is charter member #1 in our organization.

Bob lives in Monroe Mich and for a few years has extensively researched, sought for, and photographed telephone tokens used in bygone years. After deciding to collect these tokens, more than a year went by before he found his first one. Now he has several. Some were made for individual phones, private phone companies, and a few are from foreign countries. Many have cut-out letters and designs. Most were different, but all were used in pay phones.

## FROM OUR NEW PRESIDENT

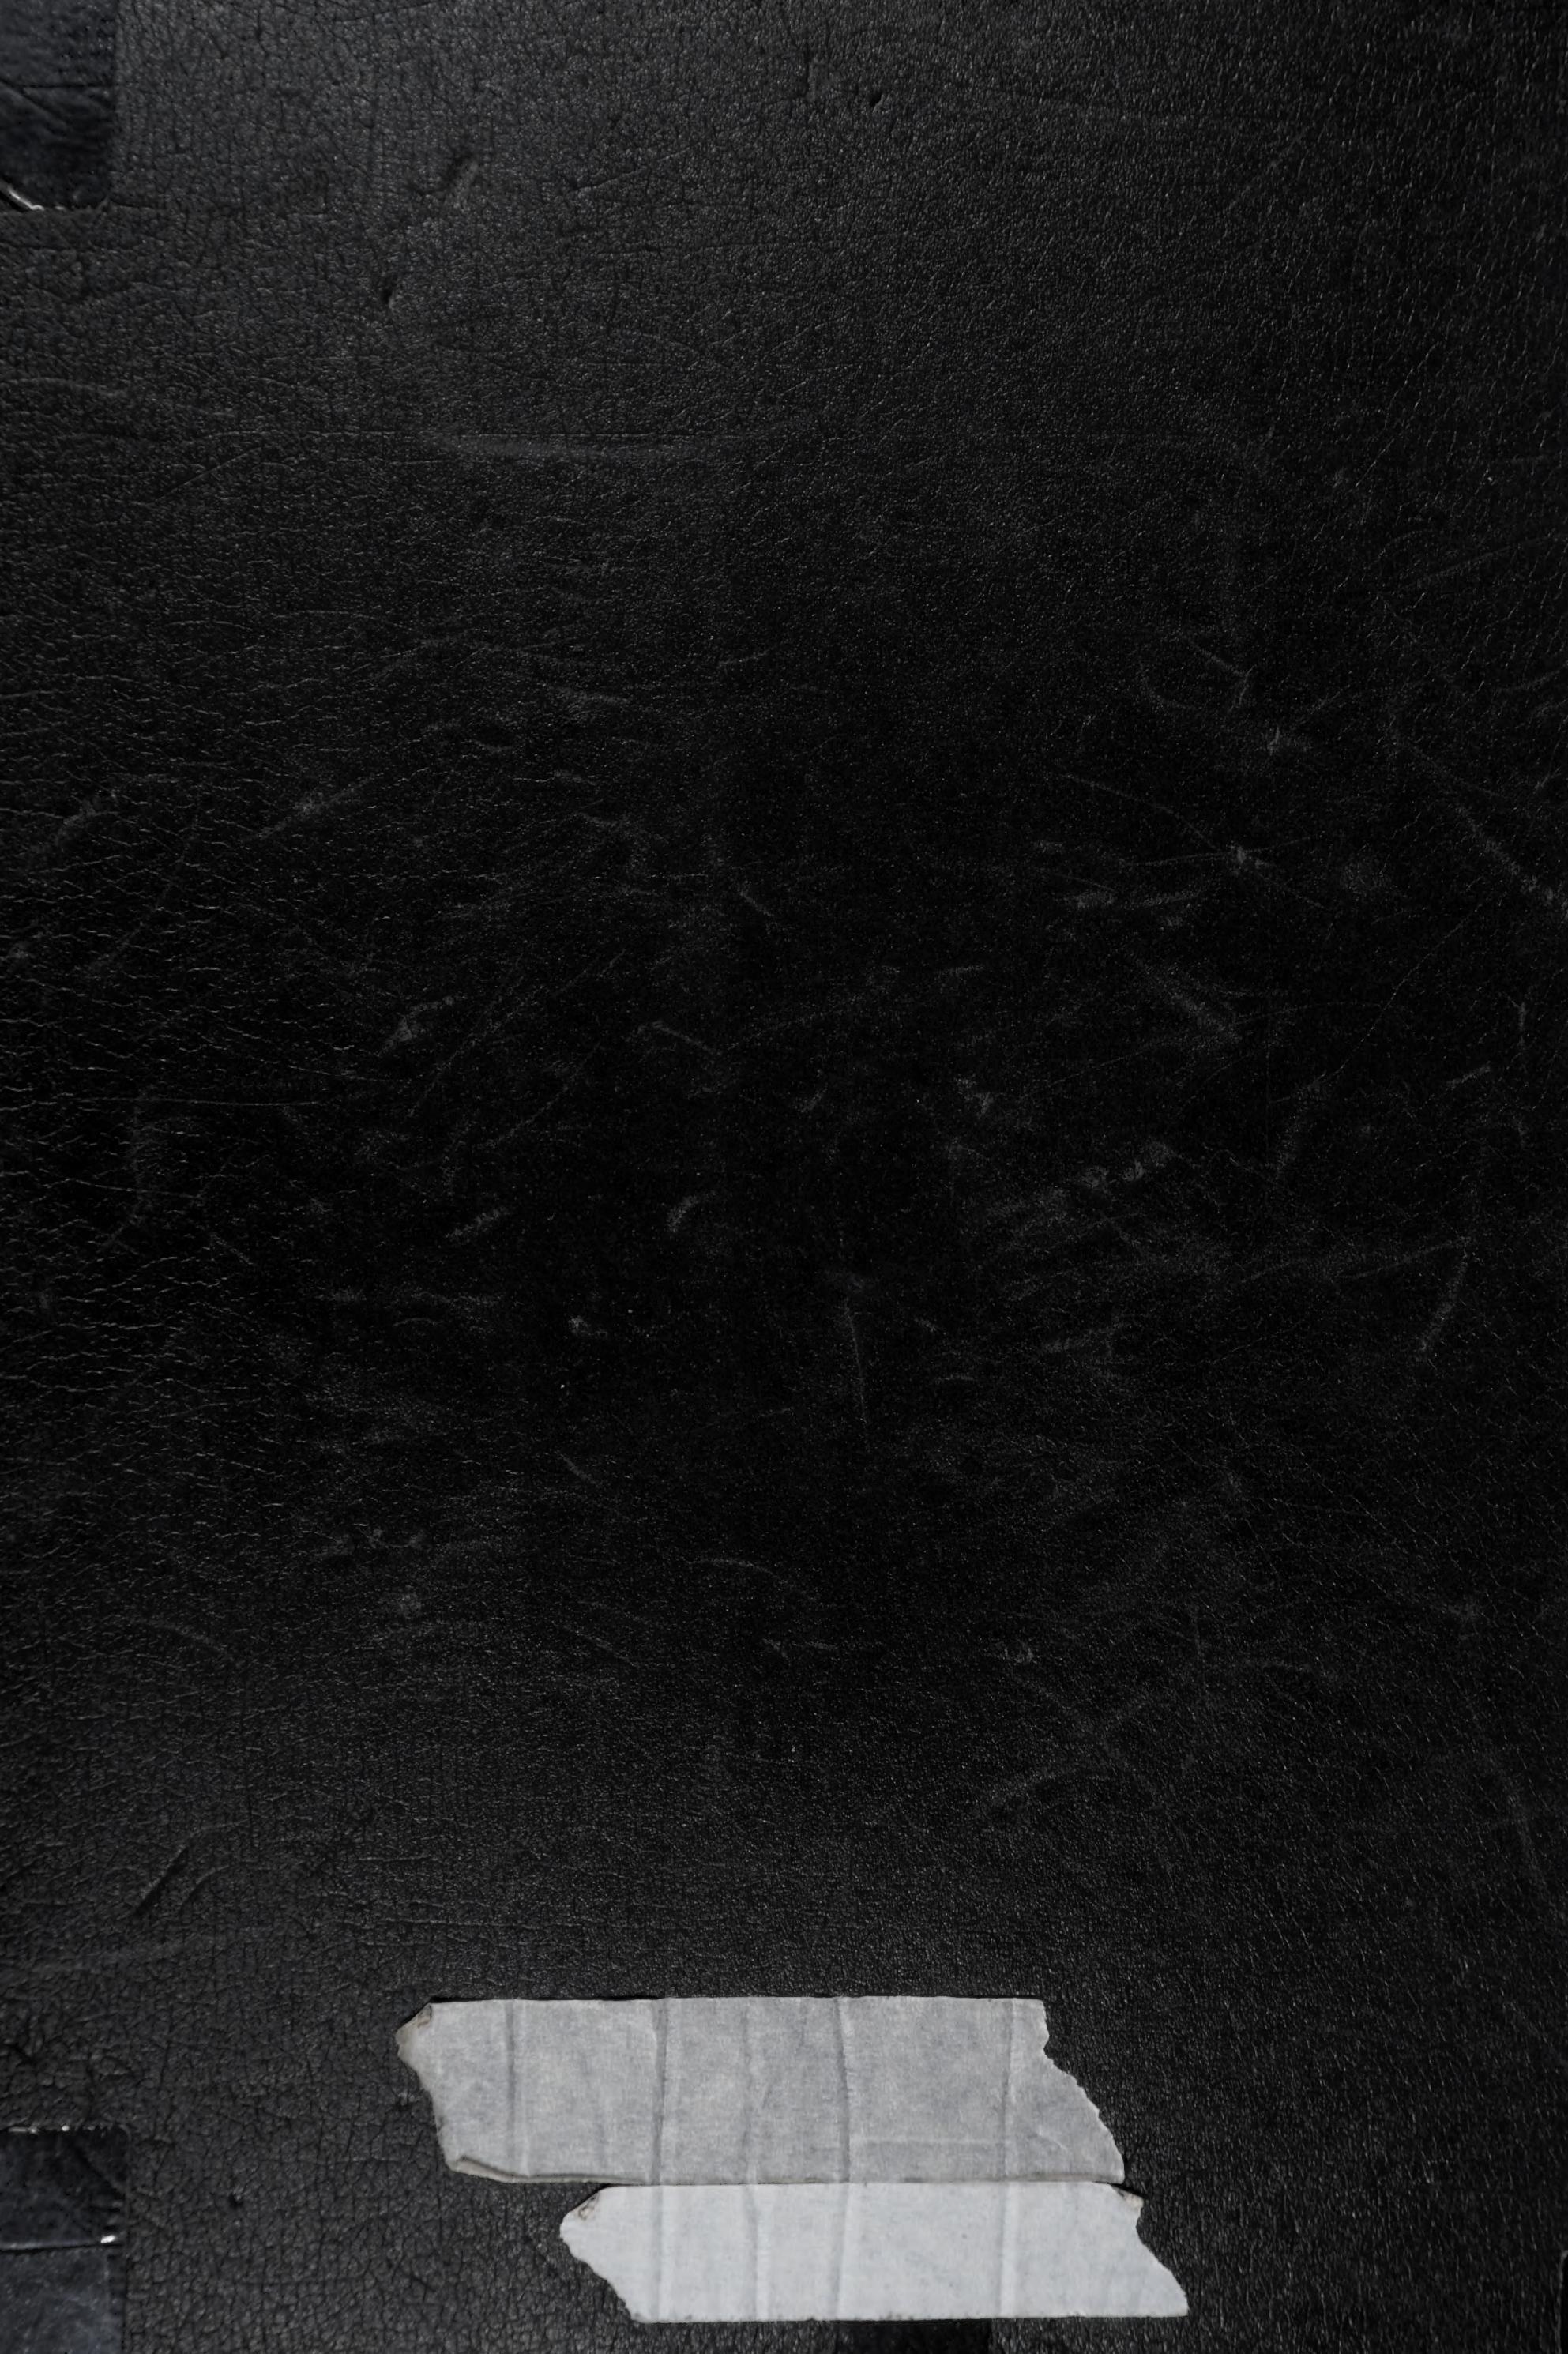

Fellow Members:

At this time I would like to thank you for your support in giving me the opportunity to serve as your president. I only hope I can live up to your expectations.

There are many things I would like to see done, one of them being to have a Life Membership in our organization.

I would also like to see more Token & Medal Shows such as Mich-TAMS has had in different cities. George Stenson and I thought perhaps we could have one in the Wayne City area if a hall is available at a reasonable rate. We will welcome hearing from any member with regards to a show in his area. (page 3)

(from page 1)

We would also welcome any comments regarding a future show.

I hope Ray Olson, our past president, will continue with his listing of Michigan mavericks, and I hope other members will help him with this list.

Wishing everyone a Joyous Holiday Season, with many new tokens and medals for your collection, I am, Respectfully yours,

Donald R McKelvey  
President of Mich-TAMS

#### VAL PASVOLSKY

A distinguished guest at our annual meeting in Detroit was a gentleman from Lakewood NJ. This man, an ANA Governor, is a collector of, and an exhibitor of, such exotica as Indian Peace Medals, other Indian lore, Colonial paper currency, etc.

Val Pasvolksy was a guest speaker at the MSNS convention in Detroit, and he had his exhibits, both competitive and non-competitive, in the Exhibit Room. Val had just come from numismatic events in the Dakotas. He announced that he was not an error collector, but that a major error had just been discovered on a Souvenir Dollar. In the minting of the South Dakota 1972 Souvenir Dollar an error was made. Instead of using the 1971 South Dakota Obverse Die as originally planned, the 1971 North Dakota Obverse Die was used. Bronze pieces and nickel-silver pieces were struck, 5,000 of each. These error medals may be obtained from RSC Enterprises, PO Box 741, Bismarck ND 58501, or from Midwest Specialty Co, 344 Ninth Ave N, Carrington ND 58421, at \$2 each in bronze, and \$2.50 each in nickel-silver. The die has been corrected since.

#### MICH-TAMS DUES PAYABLE

The calendar reminds us that our 1973 Mich-Tams dues are now payable. Your treasurer hopes that we will have a good response to this request. He knows how easy it is to put off even a small payment of \$2, which continues to be one of the lowest dues of any organization. The time has also come to notify a number of old members who did not help us with their 1972 dues that we cannot continue sending the Junk Box unless we hear from them. We sincerely wish we could send all delinquent members the Junk Box but our budget does not permit this. In the meantime our editor, Chester Clark, and our new President Don McKelvey, will try to make the Junk Box so interesting that you will not wish to be without it. Best wishes and a Happy New Year from your past president and new treasurer.
